Claude Fox, Harry Jacobson, Will. Plump and Geo. Clark, four young nimrods of our town, started for Pescadero and La Honda, to camp out, hunt grizzlys and other wild animals, a few days ago. Arriving at Ralston's one of the horses gave out, and the party remained all night. It so happened the night before that a bear had overturned a bee hive at Ralston's and stolen the honey. Here was a chance for the boys to immortalize themselves by bringing home the bearskin, and each one have a foot of the honey thief. It is said they "laid on their arms" all night, but didn't sleep any; not that they were afraid of the bear, of course not. If you want full particulars ask any one of them when they return, but don't ask them all at once. Union Cemetery Meeting.

This, Saturday, evening will be held at the office of the Board of Town Trustees in Wahl's building, a public meeting of the shareholders of the Union Cemetery Association, at which a full attendance of all the shareholders is earnestly requested by the Board of Directors, to hear the reports of the officers, to elect a new Board, and to transact such other business as shall seem proper to the members.

THE ILLINOIS LEGISLATURE.—Latest advices from the three counties in southern portion of Illinois, contained in the legislative district represented by Mr. Shaw, Democrat, recently deceased, have returned a Republican successor. The district was counted for 2,000 Democratic majority, but it is claimed the Democrats were lulled by the apparent inaction of the Republicans, and the latter crowded to the polls in the afternoon and gained the election. If this is the case the Republicans will have a clear majority on joint ballot.

Cure for Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture like prespiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching, and affecting a permanent cure. Price 50 cents. Address, The Dr. Bosanko Medicine Co., Piqua, O. Sold by Stewart & Brown.

The Indian Commissioner has awarded a contract, for the transportation of supplies, to C. B. Stone of San Francisco.

A Happy Thought.

It was a happy thought that led to the production of a concentrated fruit syrup, so harmless in its nature that it may be given either to the mother or her babe, relished alike by both, and of such wonderful efficacy that all who take it feel brighter and happier. H. J. Finger will furnish any one wishing Syrup of Figs a trial bottle free of charge, or sell 50 cents and $1 bottles. *

Washed-Out Hair.

There is a sort of pallid, chalky complexion which the novelists call a "washed-out complexion." It is ghastly enough, and no mistake. Washed-out, faded, discolored, or particolored hair is almost as repulsive and melancholy. Parker's Hair Balsam will restore your hair to its original color, whatever it was; brown, auburn or black. Why wear moss on your head, when you may easily have lively, shining hair.

Court (to prosecutor)—"Then you recognize this handkerchief as the one which was stolen from you?" Prosecutor—"Yes, your honor." Court—"And yet it isn't the only handkerchief of the sort in the world. See, one I have in my pocket is exactly like it." Prosecutor—"Very likely, your honor; I had two stolen."

Important to Mothers.

TEHAMA, TEHAMA CO., CAL., Feb. 1, 1884.
Mrs. Grace Cary, San Francisco—DEAR MADAM: My baby having symptoms of Croup for three days running, appeared on the third day to be dying, and we could do nothing for it. By accident I was offered a bottle of your "Gum Tree Cough Syrup," which I gave in half tablespoonful doses at intervals of two hours, and after one day's experience the child rapidly recovered, which seemed almost a miracle. Mrs. A. Hand, Mrs. C. Tait, and Mrs. W. Schultz of Tehama have had the same experience that I have passed through, and would be pleased to testify as to its merit.
Respectfully yours,
Mrs. S. W. KNOTT.

An Old Soldier's EXPERIENCE.

"Calvert, Texas, May 3, 1882.

"I wish to express my appreciation of the valuable qualities of

Ayer's Cherry Pectoral

as a cough remedy.

"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try AYER'S CHERRY PECTORAL.

"I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases. J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.
